hallelujah lads and lasses remaking the salvation army in america 1880 1930

we re living through the greatest loss of faith in the history of the catholic church a refrain reverberating thru catholic america likely you are familiar with the statistics 25 percent decline in mass attendance 15 of churches closed and or consolidated 65 of catholics do not believe in the real presence catholicism the largest christian creed followed closely by fallen away catholics america s religious decline is not new experts claim christianity has been on decline since the removal of prayer from public schools in 1962 catholic school enrollment declined concurrently yet prayer was not removed from catholic schools predictably mass attendance followed what changed catholic authorities proffered explanations and recommendations none of which stemmed the tide a sure sign the root cause was not rightly identified as a cradle catholic father grandfather and amateur student of mass i offer an assertion supported by my love of catholicism logic and a book what changed was the equivalent of removing the pillar of prayer from public schools mass was removed from catholic catechesis school ccd rcia adult formation ambo and domestic church a cursory look at a baltimore catechism the 1950 60s field manual for catholics reveals a 30 page segment catechism of the mass immersing students in liturgical details a cursory look at current catholic curricula reveals a paucity of information on mass ranging from a few paragraphs in school texts to take home trifolds for ccd rcia etc is mass that important did you know mass is the most perfect way for man to praise and give thanks to god is the only sacrifice perfect pleasing and acceptable to god is the most sacred function of the church surpassing all others in efficacy is the church s greatest prayer is an offering for the whole mystical body of christ is the highest form of prayer for the faithful

is the church s 1 effort to save souls is the same sacrifice christ made on the cross is the perfect answer to prayer as it brings mercy and salvation christ won for us is required attendance every sunday and six holy days a year but communion only once is the source and summit of our faith seemingly mass is the answer to everything integral to catholicism why is it not taught in catholic education settings how do we reverse the tide pope john paul ii mass is heaven on earth what we celebrate on earth is a mysterious participation in the heavenly liturgy if catholics realized mass is tantamount to heaven on earth would we be witnessing the greatest loss of faith in the history of the catholic church emphatically no as one priest opined we d have to double masses and they d be sro we would witness the greatest flood of student enrollment and mass attendance since the inception of catholicism in america we would have to double catholic school classes and reopen shuttered schools and churches catholics must re assess school ccd rcia adult formation and domestic church catechesis to make space for a deep dive into mass to fulfill the need i submit a book series heaven on earth the order and meaning of mass heaven on earth second edition text for adults curriculum for students and educators workbook of lesson reviews for students heaven on earth is not a theological or academic treatise but a user friendly step by step guide to mass for the faithful unlike anything available elsewhere author s promise you will never ever go to church attend mass or receive communion the same way again

what is a green job anyway few can adequately define one even the government isn t sure you will learn in these pages still president obama and environmentalist coalitions such as the bluegreen alliance claim the creation of green jobs can save america s economy and are worth taxpayers investment but in regulating to disaster diana furchtgott roth debunks that myth instead energy prices rise dramatically and america s economic growth and employment rate suffer in some states much more than others when government invests in nonviable ventures such as the bankrupted solyndra which the obama administration propped up far too long electric cars solar energy wind farms biofuels president obama s insistence on these dubious pursuits ultimately hamstrings american businesses not deemed green enough and squeezes struggling households with regulations adding insult to injury the technology subsidies americans pay for solar panels wind turbines and electric batteries really help create manufacturing jobs in china and south korea green jobs are the most recent reappearance of a perennial bad idea government regulation of certain industries designed to anoint winners and losers in the marketplace regulating to disaster reveals the powerful nexus of union leaders environmentalists and lobbyists who dreamed up these hoaxes and benefit politically and financially from green jobs policies unfortunately

there are more solyndras on the horizon and our economy is in no shape to absorb them
